Simple Web Apps for Trade Firms

Built by a tradesman with 20 years on the tools – for HVAC, ventilation, electrical, plumbing and fabrication firms.

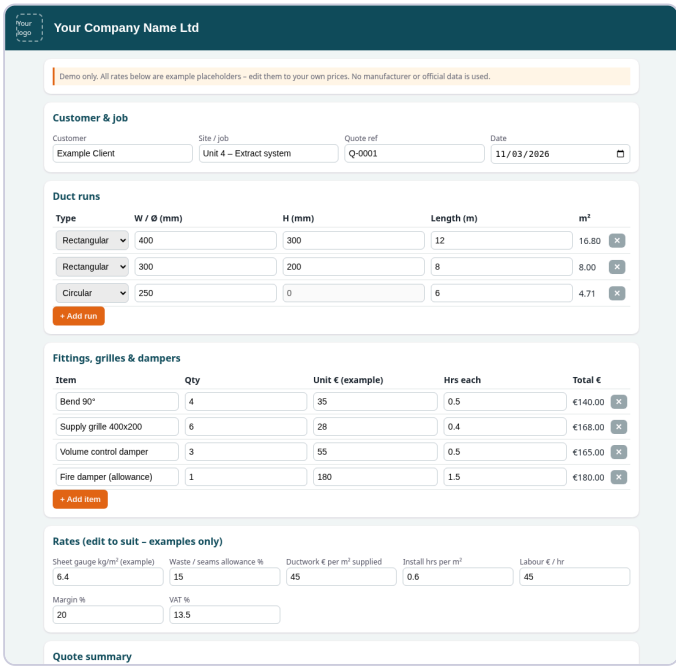

What we build

- **Quote calculators** – price a job in minutes, print a clean PDF quote
- **Job sheets** – digital timesheets, materials used, sign-off on site
- **Enquiry & booking forms** – customers request quotes or book visits from your website
- **Simple dashboards** – jobs, quotes and hours at a glance

Why it works

- Works on phone, tablet and PC – no installs
- Your prices, your logo, your way of working
- Plain English, no IT jargon
